

Kowen Forest Ride: Supplementary Regulations & Recognition of Risks

Version: SR/2019/1.0

Date of effect: 27 October 2019

Introduction

The purpose of these Supplementary Regulations (“Regulations”) is to inform participants of the conditions of entry to the Kowen Forest Ride. Please note that Regulatory Authorities place many conditions upon us to access Kowen Forest for the event. In part, these Regulations ensure that the DSMRA comply with the conditions of our permit to use the forest. If the DSMRA or event participants fail to comply with any of these conditions, it may result in greater regulation or cancellation of the Kowen Forest Ride in future – so your cooperation and compliance is appreciated.

These Regulations do not cover every aspect, and the onus is on participants to act sensibly, exercise sound judgement, be considerate and to look after each other. This event is run by volunteers for the enjoyment of those who enjoy riding dirt bikes. These Regulations should be read in conjunction with other relevant DSMRA documents including the *Entry Form* and the *Recognition of Risks*.

The Clerk of the Course (CoC) is in overall charge of this event and is supported by the Deputy CoC and the Kowen Forest Ride Committee. Their instructions must be obeyed, otherwise the event may be suspended or abandoned.

The ACT Government has reserved the right to cancel the event subject to conditions such as weather, fire danger, poor behaviour of participants etc.

The DSMRA reserves the right to cancel the event for any reason.

Due to increasing numbers, a commitment to public safety and respect for the environment – anti-social behaviour will not be tolerated. There is to be no illicit drugs, animals, fireworks, weapons, pools and spas, drones, or any unauthorised vehicles brought into the event site. Anti-social or unruly behaviour will result in those participants being removed from the event.

DSMRA is not responsible for any loss or damage to property (including personal property such as motorcycles, bags, money or other personal items) brought to or purchased at the event by you or your invitees.

The Regulations may be amended from time to time. Please check the DSMRA website to ensure you have the latest version. The version number is printed near the top right of page 1.

General Ride Information

The Kowen Forest ride will be held on Saturday and Sunday with the following details:

- Scrutineering starts around 8am, the riders briefing starts around 8:30, ride starts around 8:45am, entry to loops close 3.00pm.
- Early sign-on will be available for riders on Friday evening. The intention is to ease any congestion on Saturday morning.

The loops are arrowed and have signage showing the way. There is a set of letters (from A to Z) positioned at intervals around the loop to indicate positioning in each loop to locate riders should assistance be required.

Course short cuts will be signposted for participants to divert around difficult sections or opt out and return to Event Central via easy trails and roads (if feeling fatigued or the bike is malfunctioning/damaged).

No 'informal riding' in parts of Kowen Forest other than on the loops or gazetted roads is permitted. Participants are required to show courtesy and restraint, including no wheel spin or deliberate environmental damage.

No riding to take place on Friday unless part of a DSMRA led ride.

This is not a competitive event and a strict 40kph speed limit applies throughout Kowen Forest.

Entries

Acceptance of entries is at the discretion of the Kowen Ride Organisers.

Unless notified, entries from a postponed event will be carried forward to any new proposed event date. The DSMRA reserves the right to close entries at any stage to maximise satisfaction of the riders already booked in.

Event merchandise may be available for purchase from mid-morning Saturday to Sunday afternoon unless sold out earlier.

Your registration fee covers both entry to the ride and 12 months DSMRA membership. If you are already a DSMRA member, your existing membership will be extended by 12 months. Your one year DSMRA membership will commence on the Friday before the event

Privacy

Please note, as outlined on the entry form and unless specifically requested, your name and entrant number will be included on the registered entrant list. This list may be published on our website and updated regularly. Your name may also be included on a sticker placed on your bike, as it will aid in the rapid identification of riders.

Your ride fee also includes a six month subscription to Australasian Dirt Bike magazine. Unless we are notified otherwise your name and address will be provided to ADB or their subscribing service for the provision of a six month subscription. If you are already a subscriber, your subscription will be extended by six months. Further details on the various privacy agreements are available at:

- <https://www.magshop.com.au/privacy>
- <https://www.dsmra.asn.au/privacy-policy>

Please note that by signing the entry form and joining the DSMRA or extending your membership, you are also agreeing to abide by the DSMRA's Riders Code, noting that some specific elements (e.g. carry your licence, as you will already have handed it in to us) are not applicable to the Kowen Forest Ride.

Images, Photography and Press

On the course and throughout the event a professional photographer, press, and DSMRA photographers will be present. Your image may be published for marketing purposes or on social media. Please notify the photographer if you are not happy with your image being published.

Although due to the public nature of land you may not have a right to refuse the use of your image.

DSMRA's Rider Code:

1. *Obey the laws & regulations on recreational vehicles. Observe restrictions on use of public land & do not go around locked gates.*
2. *Respect the environment. Stick to formed tracks, avoid sensitive areas like wetlands and vegetated dunes. Treat native wildlife with respect.*
3. *Don't ride when conditions are such that it will severely damage tracks. As a general guide, if you are leaving a 10 cm deep rut over a distance of 50m or more, you should not be in there.*
4. *Be considerate of other bush users. Keep to the left-hand side of any track, & give way to horse riders. Ride sensibly past general recreational areas such as camping & picnic spots.*
5. *Always ride a well-muffled & registered bike.*
6. *Always carry a current driver's licence, & do not ride in public areas with anyone who is unregistered or unlicensed.*
7. *Obtain permission from the relevant landholder before riding or camping on private land. Leave livestock alone & gates as you found them.*
8. *Exercise some throttle control when overtaking other vehicles. Do not shower them with rocks!*
9. *Don't wear a single line rut through drainage structures such as erosion control banks.*
10. *Keep the environment clean. Take out what you take in.*

Access to Kowen Forest

Normal access will be through the "front gate" of Kowen Forest, approximately 2km north of the driver training facility on Sutton Road. At the gate, participants will be checked against the list of registered entrants. A sticker will be applied to the windscreen of each car. The sticker will speed re-entry through the gate if you have to leave and then come back again.

The main staging area, "Event Central", is approximately 6km into the forest from the main gate. The route will be sign posted.

The main gate will be open for general admission from 4pm to 11pm on Friday for those who wish to camp. Please note there is no general riding on Friday.

Attendees that wish to queue for entry should do so in an orderly fashion, such that service vehicles (including trucks) are not obstructed from entering/leaving, or other traffic from using the road to the Molonglo Picnic Area.

The gate will open from 7am Saturday and will be locked at 11pm. The gate will not re-open until 7am Sunday, except for emergencies as directed by the CoC.

Everyone must exit via the gate on Quarry Road (i.e. not via the road used on entry, as has been the case in other years). No exceptions. Please obey the traffic exit signs

After exiting please ensure any unmanned gates are locked behind you.

Camping

- Camping will be available Friday and Saturday night.
- Camping is only permitted within the marked area. No camping is allowed in the forest, between pine tree plantations, or along (adjacent) to pine plantations.
- A large number of camp spots are available adjacent to Event Central. Positions are allocated on a first come - first served basis. There is no camping elsewhere in the forest or away from Event Central unless designated by the CoC.
- Food, meals and snacks can be purchased onsite from the Food Vendors present. Coffee, cakes & ice creams are also available. You may bring your own food and drink: **ABSOLUTELY NO GLASS IS PERMITTED AT THE KOWEN FOREST RIDE.**
- Fire is one of the major risks for this forest event. It is a condition imposed on the DSMRA that there are **no open fires in the forest area. All fires in the campground must be in a fire bucket** (a half 44-gallon drum or similar), so for convenience, you may wish to consider bringing your own fire pit/drum. **Volunteers have been instructed to extinguish non-complying fires. There can be no exceptions.**
- Do NOT place rubbish (including cans/plastics or other non-combustible material) in your fire. DSMRA volunteers are required to collect and dispose of leftover fire ash after the event and contaminated fire ash is much harder to dispose of.
- If you intend to have a fire or transport fuel, you should also have a fire extinguisher.
- **Collecting wood from the forest is prohibited.** A VERY LIMITED FIREWOOD WILL BE SUPPLIED, but please consider bringing your own.
- On leaving, you must **extinguish your fire completely and ensure the area is clean.**
- No pets are allowed at the event.
- Drinking water and portaloos provided. Please leave portaloos as you would like to find them for the comfort of all participants. Portaloos will not be serviced so damage/blockages will reduce the number available for all attendees.

- Due to the high volume of vehicle traffic – the area is hazardous for children. Any underage children should be closely accompanied at all times. No pit bikes, mini bikes or remote control vehicles.

Hotel Accommodation

For those attending the Kowen Forest Ride that would prefer a greater level of comfort a range of accommodation is available in Queanbeyan and Canberra.

Registration and Registration Procedures

You must “sign on” and “sign off” each day. This involves attending the Registration Tent and completing the relevant paperwork (see example of sign on information at Appendix B). You must also leave your licence at the admin tent before you ride and pick it up when you come back.

This way we know who is still out on the tracks – so it is an essential element in our safety plan. If at the end of the day you do not sign off– we will assume you are stranded in the forest and will act accordingly to ensure your safety, this may include mounting a major search. This may jeopardise further riding or the Event – so it is in the interests of everybody to ensure that you return to the admin tent and sign off properly each day.

Once you “sign on” on Saturday, you will be issued with a sticker. Apply the sticker to the front cowling so that it can be seen by a person standing 4m away and directly in front. You cannot enter any of the loops or rides unless you are signed on.

To reduce dust, bikes are excluded from the immediate area of the Registration Tent and food serving areas (Event Central).

To ride at Kowen Forest your bike must be registered for ACT roads and roadworthy. Hence registration such as the Victorian Recreational Registration is not acceptable as you cannot legally ride your motorbike on ACT roads.

Scrutineering

Once you have signed on, take your bike to the Scrutineering Tent. If registration labels are no longer issued in your State, you **MUST** provide proof of registration or similar (e.g. temporary permit).

We will attempt to do some on-line pre-event registration checks to speed up the process. However we may not be able to check every registration – so ultimately it will be your responsibility to be able to prove that your motorcycle is registered.

WITHOUT PROOF OF REGISTRATION, YOU WILL NOT BE ALLOWED TO RIDE USING THAT VEHICLE – and to make matters worse, you will **NOT** get a refund of your entry costs.

Scrutineers will also check the condition of each bike including brakes, tyres and tail/brake light. The minimum requirement is headlight, taillight and brakelight. Bikes not meeting this requirement will not be allowed to enter the loops until the faults have been rectified and verified by the scrutineers.

Mufflers preferably should have spark arrestors and modifications can be checked for sound quality.

In order to stop the spread of noxious weeds bikes should be cleared of mud; before checking into Kowen Forest – dirty bikes may be refused entry. There is a 24hr car wash with Bike Friendly Facilities at 155 Crawford Street Queanbeyan.

Safety Gear

Riders are expected to have suitable safety gear, including helmets compliant with Australian Standards. Body armour, gloves, full-length boots, riding pants (not jeans), goggles (rated) and jackets should be worn. The CoC reserves the right to refuse entry to the loops to participants who are not wearing suitable protective riding gear.

Announcements

Official announcements will be made over a public address system (PA) to allow the event organisers to keep participants in the staging, parking and camping area notified of all eventualities. The PA will also be used for rider briefings, prize giveaways, etc.

First Aid

Riding in Kowen Forest is defined as remote area as it is expected to take significant time to locate and potentially evacuate injured riders. Much of the trail is a significant distance from any access roads.

Some limited first aid/paramedics will be on site while riding is in progress but may not be available at all times. If deemed necessary by the CoC, additional first aid/ambulance/rescue helicopter services will be called to assist you. In the event of injury or sickness your *Recognition of Risk Form* has authorised the Dual Sports Motorcycle Riders Association (DSMRA) to arrange, as it deems necessary, medical treatment and emergency evacuation services on your behalf and at your cost. Please note that the CoC has absolute discretion to call for these extra services if he considers it necessary – say for example, to transport you out of the forest.

The CoC's decision is final. You will be entirely responsible for any costs for these additional services. Riders need to ensure they have ambulance insurance cover for remote areas.

Broken bikes and gear

While the DSMRA will try to assist the recovery of broken or malfunctioning bikes, for safety reasons it may not be possible while the loops are open for riding.

At no stage should any vehicle based 'self-recovery' action be taken without authorisation from the CoC. Please contact the Registration tent.

There is to be no welding or oxyacetylene tools to be used within the forest area.

Dumpsters

Dumpsters will be provided for rubbish. Please check to ensure that you leave the site clean. Contact CoC in the event of any fuel or oil spills, no matter how minor.

Security

Private security will be patrolling Event Central and the camping area for part of the weekend. They are authorised to remove participants who are unruly or in breach of these Regulations.

You are responsible for the safety of your own belongings.

Although the forest is closed to the public for the event, Kowen Forest is still an open area, and all valuables should remain secured at all times. Ensure your bike(s) and vehicle(s) are locked at all times when not in use.

Smoking

There is to be no smoking on the trails in and around Kowen Forest. Once you depart parc ferme you may only smoke at a manned way point on the road. Ensure all butts are properly extinguished and disposed of in the rubbish receptacles provided in the camping area.

Gates

Please ensure that you close all gates after you have gone through them.

Speed limits

The maximum speed limit throughout Kowen forest is 40km/h. In and around the camping ground, Event Central the speed limit is **walking pace** (5km/h).

The CoC may also declare reduced speed limits and/or “Quiet Zones” for some short segments of the loops/rides (e.g. for safety or environmental reasons.)

Police

Police have the right to enter the forest and conduct police/traffic operations without notice. All event participants must observe all applicable laws (e.g. driving under the influence of alcohol/drugs).

Forest Operations

A large number of Forest Operations (logging/thinning etc.) occur in Kowen Forest as it enters its harvest cycle. A number of our tracks are affected. For the safety of all, the conditions of our access permit require us to keep clear of current operations.

Participants must not at any time approach harvesting machinery or log stockpiles.

In addition, many logging tracks show considerable signs of use by heavy trucks. While we will avoid these tracks if possible, some transit may be required.

Caring for other ride participants

Along with abiding by the speed limit, we need to reiterate that this is not a competition or race.

The loops are long and may be tiring, so hydration and food breaks are recommended.

If you are having a break, pull well off the marked track. If you are delayed on the trail please be aware of the other riders that are around you.

If you approach a slower rider, please be patient and pass only when safe to do so. A short honk of your horn can be used to let riders know you are behind them.

Slower riders should try to give way when it is safe to do so. The loops have intermittent transits on or across fire trails. These are good places for slower riders to move to the side and let the faster riders past. However, the overtaking rider bears full responsibility to overtake safely and must be aware that slower riders have the right to choose their own line.

Lost Property

Any items of lost property should be handed in to the staff at the Registration Tent.

Fuel Storage

Fuels must be stored in accordance with Australian handling standards. Fuel and oil spills no matter how minor must be reported to the CoC.

Refer to **AS/NZS 2906:2001 Fuel containers - Portable-plastic and metal.**

Riders Briefing

A riders briefing will be held at 8:30am on Saturday and Sunday. This will include important information about signage and specific information on the day. If you cannot attend these briefings please inform the volunteers at the registration tent, or seek out the CoC after the briefing.

Postponement of Event

In the event of postponement (i.e. due to inclement weather) the DSMRA will organise an alternate date (4 May 2019 is tentatively booked at this stage), at the next earliest practical time, subject to the availability of the site from ACT Government. Unless you apply for a refund, event entries will be carried forward to the next scheduled event date, and your DSMRA membership will be postponed and begin at the next event date and will remain valid for 12 months.

If the DSMRA have to postpone the event, we will also postpone the raffle draw to the rescheduled event date, as it is expected a majority of entrants would like the opportunity to be present for the draw.

Notice of postponement will be posted on the DSMRA website and the DSMRA Kowen Facebook Page.

Cancellation/abandonment of the Alternate Event

In extreme circumstances, the Event may be cancelled or abandoned. If the event is cancelled or abandoned before the raffle draw, the raffle draw will be re-organised at the next event (likely 4 May) or take place at 40 Mort Street Braddon (which will be video'd and placed online).

Notice of cancellation/abandonment will be posted on the DSMRA website and the DSMRA Kowen Facebook Page.

In the event of cancellation some costs will not be refundable to the DSMRA such as the raffle prizes, memberships etc, so only a partial refund may be possible perhaps not at all.

Withdrawing your Entry

If you cannot attend the ride after your entry has been processed, you can cancel online without penalty two months before the scheduled event date. A full refund will be processed. Your new membership/membership extension will be cancelled and your entry in the raffle draw will also be cancelled. No partial refunds will be processed. (You cannot elect to retain your entry in the raffle).

After If you cancel within two months of the scheduled event a \$25 cancellation fee will be imposed due to the manual nature of refunding payments.

Non-Attendance

If you do not attend the ride and have not given us timely notification and received an acknowledgement from the DSMRA, your full entry fee will be forfeited. You will still retain your DSMRA membership for one year and your entry in the raffle will still be valid.

The CoC is the sole judge of fact in relation to timely notification.

Raffles and Prizes

We have a registered Raffle event, which we plan to draw at 7:30pm on Saturday, with minor giveaways from around 7:00pm. The major raffle prizes will be drawn formally and you do not have to be present for that draw. We will have many more prizes, which will only be available if you are present at the draw.

Event entrants and financial DSMRA members may purchase additional tickets for the chance to win the motorcycle and the other major prizes. A secondary prize draw including other donated prizes is expected to be held and will include all participants including sponsors and volunteers. You are required to be present for that draw and will be given 15 seconds to make yourself known.

The Raffle has been registered in ACT only.

2019 Raffle Terms and Conditions

PERMIT/LICENCE DETAILS

ACT: R18/00200

Maximum number of tickets: 5,000

DRAW DETAILS

Start Date: 15/10/2018

Closing Date: 06/04/2019 (6pm)

Drawing Date: 06/04/2019 (7pm)

Alternate Date: 4/05/2019 (7pm)

Drawn at Kowen Forest (ACT) – on main stage at the Kowen Forest Ride.

RESULTS

All Prize winners are notified by mail and results published on the club website

PROMOTER: DSMRA. The 2019 Raffle is in aid of the ACT Branch of DSMRA ABN: 49968786284.

GENERAL TERMS AND CONDITIONS

- Only entrants to the event may purchase tickets – this includes volunteers and sweeps who are provided free entry.
- All tickets purchased will be in your name and cannot be on-sold.
- 5,000 tickets are available for sale at AU\$20 each.
- Images used are for illustration only.

- **1st Prize KTM 500 EXC-F value \$14,495** – the value is a Recommended Retail Price only and prizes may be present in the market for a lesser value.
- **2nd Prize KTM 300 XC value \$12,495**– the value is a Recommended Retail Price only and prizes may be present in the market for a lesser value.
- **3rd Prize Riding gear accessories - value \$1,500** – The third prize will be provided in the form of a gift voucher from Canberra Motorcycle Centre. These vouchers can only be used in-store at Canberra Motorcycle Centre during their business hours.

- Prizes require pick-up from the event (or will be held at the Canberra Motorcycle Centre for collection during their business hours).
- Prizes must be collected within 3 months of raffle draw (or will become the property of DSMRA).
- Prizes are not redeemable for cash and bike prizes will not be provided to anyone except the winner.
- Persons under the age of 18 years are not permitted to purchase a ticket.
- In the event of cancellation of the ride – due to weather or unforeseen circumstances the lottery may be extended and a draw to take place when the event is held at the later ride.

Redraw Arrangements – should the DSMRA be unable to hold the Kowen Forest Ride Event on the 6/7th April 2019 as proposed – all entrants will be notified; and an alternate event/ draw date will be on May 4th at the alternate event date. For whatever reason should the event not be held on the alternate booked date of May 4th at 7pm; prizes will still be drawn on May 4th but in the foyer of Level 2, 40 Mort Street Braddon (at 7pm).

It is noted that the prize bikes do not include any registration or delivery. Prizes must be collected from site – or alternate arrangements for pickup within a week available through CMC.

DSMRA reserves the right to place advertisements/stickers on relevant prize bikes.

Transfers

Entries, raffle tickets or subscriptions are not transferrable between riders.

Refunds

DSMRA Kowen Forest Ride. Supplementary Regulations and Recognition of Risks. Page 11

Any refund will go to the payee only.

If the Event is **cancelled, postponed or abandoned** for any reason, a partial refund may apply.

Any refunds will be based after deducting the following:

- 1) Cost of the DSMRA membership.
- 2) The cost of the raffle tickets.
- 3) A contribution to fixed costs such as booking fees and facility charges (toilets, SES, RFS, Ambulance, ADB subscriptions etc).

If after the Event starts, the Event is abandoned for whatever reason, the following applies:

- 1) There are no refunds.
- 2) DSMRA memberships are honoured.
- 3) The ADB Subscription is maintained.
- 4) The Raffle will be drawn on the new date (see Raffles and Prizes), according to the ACT Raffle Permit.

Catering and Food

Onsite catering for food, drinks and coffee will be provided by the Vietnam Veterans catering service and other vendors at your own cost.

One thousand litres (1000L) of drinking water will be provided onsite free of charge by the local SES. Although it is recommended you bring your own water.

Spares

Spare parts may not be available. If you need anything substantial, the DSMRA recommended you go to Canberra Motorcycle Centre before 3pm on Saturday to purchase items. They sell Honda, Husaberg, Kawasaki, KTM, Suzuki, Yamaha and accessories at their Ipswich Street, Fyshwick store.

Other motorcycle stores that stock other brand parts are also located in Queanbeyan and Fyshwick.
